COMPANY OVERVIEW

H&W Solution Partners is a state-licensed, NMSDC-certified Minority Business Enterprise (MBE) and electrical contractor based in Hampton, Georgia, serving general contractors, property owners and public agencies across Metro Atlanta. Our leadership brings 12+ years in the trade, from journeyman through foreman and project manager, including mission-critical electrical work on hyperscale data center projects. Owner-led on every job: the person who bids your project manages it through final inspection.

CORE COMPETENCIES

- Commercial tenant fit-outs & buildouts
- Service upgrades & panel replacements
- Data center & mission-critical power
- New-construction residential
- Generators & transfer switches
- Lighting, controls & specialty lighting
- Restaurant, bar & hospitality electrical
- Single- to three-phase conversions
- Industrial power & equipment wiring
- Medical, worship & institutional renovations
- EV charging (Level 2)
- Safety inspections & troubleshooting

PAST PERFORMANCE

PJ's Coffee, Defoor Ave NW, Atlanta · Commercial buildout as electrical subcontractor to J.M. Lee Construction.

Prime on Peachtree, Atlanta · Full electrical buildout for upscale dining: service panel, specialty lighting, kitchen circuits, AV power as electrical subcontractor to J.M. Lee Construction.
